Catholic Community Service

Catholic Community Service (CCS) is a comprehensive, mission-driven social service agency dedicated to reaching out to persons and families in need throughout Southeast Alaska. Our desire to serve others is at the heart of our mission and is rooted in Catholic Social Teachings.

CCS provides an array of quality services ranging from children and families, seniors and adults with disabilities, and to people who need in-home care and/or end-of-life palliative care.

CCS was founded under the oversight of Bishop Francis Thomas Hurley by six Jesuit Volunteers who opened the St. Ann's Child Care Center in January 1973 to serve the poor and vulnerable families of Juneau. In 2016, CCS provided comprehensive services to:

- Seniors and adults with disabilities through Southeast Senior Services (SESS);
- Children and families through Children and Family Services (CFS); and,
- People who need in-home skilled nursing care and end-of-life services through the Hospice and Home Care of Juneau (HHCJ).

From the beginning of life to end, our various programs within CCS highlight the dignity of every human person. Through our capable and professional staff, all people are shown a great amount of care, compassion and concern as we address their needs.

With the expertise of both the Board of Directors and Senior Leadership team, CCS successfully provides a broad continuum of care to the communities of Southeast Alaska. **Services are provided to those in need regardless of race, income, age, or religion.**

A Special Thanks To Our Volunteers and Donors

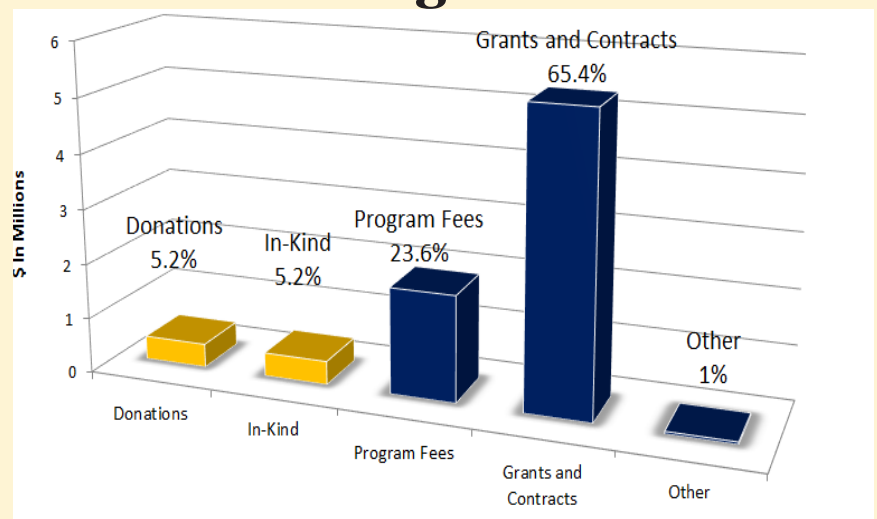

CCS relies on the resources of Southeast Alaska communities to provide monetary gifts, in-kind donations and volunteer assistance. A special thank you goes out to all of you who make it possible for CCS to provide so many needed services throughout Southeast Alaska. These are challenging financial times, and we expect more cuts to our funding soon. Now more than ever we need your help. Your generosity assists CCS to fulfill our mission of providing service with Dignity, Care, and Compassion to individuals in need. Without your help we would not be able to serve so many of our friends and neighbors.

To donate or learn more about our volunteer services please contact our Fund Development Coordinator, Nathan Lovik, at 907-463-6145. You may also donate online at WWW.CCSJUNEAU.ORG.

From Catholic Community Service to You...

On behalf of the CCS Board of Directors, I am pleased to welcome you to the many services offered by the staff and volunteers at our organization. For more than 40 years, CCS has served all people of Southeast Alaska, regardless of faith. This directory gives readers an overview of programs by community. We hope that if you or someone you love is in need, you will find our services are offered to individuals and families with dignity, care and compassion.

John Greely
President
Board of Directors

Catholic Community Service is about caring and community. Every person is valuable and deserves to live with dignity. The services we provide — meals and transportation for elders, child care assistance and advocacy for families, home health care and hospice for those who are ill or at the end of their life — everything we do is intended to help people be healthy, independent, and a vital part of their community. As a non-profit social service and health care agency, it's our privilege to be a part of a network of care extending across all of Southeast Alaska. As an agency founded on faith, it is our mission and an honor to help those in need. We thank you for the opportunity to make a difference, and it is our intention to continue to help for many years to come.

Erin Walker-Tolles
Executive Director

In sacred scripture we read that Jesus gave us a new commandment, "To love one another" (Jn 13:34), which as a Church we seek to follow wholeheartedly. We do this in institutional ways as well as in individual ways by our ongoing acts of charity and service. Catholic Community Service's new directory highlights the important charitable work that CCS does on behalf of children, the elderly, those with terminal illnesses and their families in towns and villages throughout the Diocese of Juneau. With the entire Catholic community, I am grateful for the work of CCS and its dedicated staff and volunteers. Thank you for the wonderful work you do for those in need. Each of CCS's programs is a daily living out of the corporal and spiritual works of mercy, that include feeding the hungry, welcoming the stranger, visiting the sick and imprisoned, accompanying the dying, counseling the doubtful and consoling the sorrowful and afflicted. May God continue to bless all those engaged in CCS's work of charity and service and all of those in our communities who are served by the CCS programs.

Yours in Christ's love,
Most Reverend Edward J. Burns
Former Bishop of Juneau

Southeast Senior Services (SESS) works with local, state and national partners to offer home and community-based services such as hot, nutritious meals, door-to-door transportation, adult day services, care coordination, senior and caregiver counseling, a regional senior information and caregiver resource center.

Senior Centers

Through its network of senior centers located in Angoon, Craig/Klawock, Haines/Klukwan, Hoonah, Juneau/Douglas, Kake, Saxman-Ketchikan, Sitka, Skagway, Wrangell, and Yakutat, SESS provides congregate and home delivered meals (Meals On Wheels), classes, and health promotion activities to over 2,000 seniors annually.

Care-A-Van (Juneau) and Transportation Services

Door-to-door transportation is also provided in these communities, helping seniors and people with disabilities access medical care, shopping, church, community events, and any other place they wish to go.

Other SESS

Programs

The Bridge Adult Day Program

Providing therapeutic activities in a safe, nurturing environment for frail and impaired seniors so loved ones can continue to work, run errands, or take a well-deserved break.

Senior Information & Caregiver Resource Center

Advocating for seniors and helping the friends and family members who care for them get the information, support, and training they need to be successful on their caregiving journey.

Senior & Caregiver Counseling

Helping seniors and caregivers deal with the issues of aging such as isolation, depression, substance abuse, grief, and loss. Services are provided in the privacy of their own home or location of their choosing through individual and group counseling.

Care Coordination & Service Coordination

Throughout Southeast Alaska, the Care Coordination and Service Coordination programs provide information and referral services to senior citizens and family caregivers. Coordinators conduct comprehensive client assessments and link seniors with services that support their desire to live independently, and maintain their health and quality of life for as long as possible. The case managers, care coordinators, and services coordinators generally have an approximate case load of about 70.
